You're The One I Love

Shola Ama

(Ad lib)
Boy, I just wanna be
Your everything
I'll do anything for You
All you gotta do is just let go
And we can flow
I know that you've been hurt before
But I can't get with you
If you close the door
The night I gave my love to you
Was about what I felt
In my heart for you
You're the one I love
So don't even trip
I will never creep
Like the others did
You're the one I love
Baby, it's like that I will never stop
'Cause I know what I got
You make me wanna give
It all to you
And keep it real. for true
I know that you see
We have so much
So baby. trust
(* Repeat with ad lib)
(** Repeat 2 times with ad lib)
You're the one
You're the one I love
You're the one
And keep it real
Baby, you're the one –
