

# Focus Pon Me

Shontelle

I've been looking at you wondering if you even got  
What it takes inna no you take me easy  
Left right, left right, left right, focus pon me  
Left right, left right, left right, focus pon me

From the most things I got you can't do it like me  
There is no other  
You a-watch and a-stare and a-wish  
That this gal could'a be your baby momma  
So watch me slow grind and a-wine  
And in time never step outta line, baby  
Make you bod all night feel the wickedest wine (focus every time)

So watch me slow wine baby  
And I wine and dine baby  
Make your mouth water with this heat  
Me done work it, what is your weakness

Left right, left right, left right, focus pon me  
Show it back, make it hot, take it right down for me  
Left right, left right, left right, focus pon me  
Move it round, toss it down, give it all you got baby  
Left right, left right, left right, focus pon me (what)  
Left right, left right, left right, focus pon me (what)

I'm enticed now and me like it  
Keep your focus and align it  
To the front to the back I give you heart attack  
And you know Shontelle got the green alycat?  
Dutty wine my gyal an pull out her hair an  
Make all the mans scream  
Yano you stand tall  
Hands up in the air an  
Wind it up and roll it around now  
Fellas step up and take she right down now  
Hypnotizing like it snake charming  
So beware gyal send out the warning

Left right, left right, left right, focus pon me  
Show it back, make it hot, take it right down for me  
Left right, left right, left right, focus pon me  
Move it round, toss it down, give it all you got baby  
Left right, left right, left right, focus pon me (what)  
Left right, left right, left right, focus pon me (what)

So baby if there's something you wanna show me  
You wanna be my lover or just my hommie  
I take you over mountains  
Take you across the sea  
And it won't cost you nothing  
To take a ride with me

Left right, left right, left right, focus pon me  
Show it back, make it hot, take it right down for me  
Left right, left right, left right, focus pon me  
Move it round, toss it down, give it all you got baby

Dutty wine my gyal an pull out her hair an  
Make all the mans scream  
Yano you stand tall  
Hands up in the air an  
Wind it up and roll it around now  
Fellas step up and take she right down now  
Hypnotizing like it snake charming  
So beware gyal send out the warning
