

# Southern Comfort

Shooter Jennings

Take me home

Well, I came to Cali on a highway from Nashville  
It's all a gamble for the fortune and fame  
My education came from reading the road signs  
Just another fool who got lost in the game

And I'm going back again  
'Cause it's blowing in the wind  
That's carryin' me home

Oh, southern comfort  
Don't leave me low  
Oh, southern comfort  
Keeps calling me home  
Yeah

And all these actors, man, they're living in castles  
And with the earthquakes they'll sink in the sea  
Who makes a living off of heartbreaks and hassles?  
And scientologists make no sense to me

So I'm going back again  
'Cause it's blowing like the wind  
That's carryin' me home

Oh, southern comfort  
Don't leave me low  
Oh, southern comfort  
Keeps calling me home

Oh, southern comfort  
Don't leave me low  
Oh, southern comfort  
Keeps calling me home

Oh, southern comfort  
Don't leave me low  
Oh, southern comfort  
Keeps calling me home

Oh, southern comfort  
Don't leave me low  
Oh, southern comfort  
Keeps calling me home

Oh, southern comfort  
Don't leave me low  
Oh, southern comfort  
Keeps calling me home

C'mon take me home
