

Bat Country

Short Stack

It's been a long night
The chapel bells hit 12 and i feel alright
And she was standing there and she said
Well my boy i need some kicks show me some tricks
And then we'll open up the sea
Because you amaze me

It's been a good life
We're too gorgeous to die
It's the good life
Like pistol whips and knives this shit's a gun fight
So pin me to the wall and watch me fall into your arms and i am
free
Because

I want to love you
I want to love you (till you're) blue
I want to do some horrid things with you
So hold me closer
And make me all i'll be
Because sugar, You amaze me

Let's call it even
You are a shooting star and i'm a demon
Illuminate the sky, ignite the breathing
Because i am lack of air
But i don't care
It's how i fare
It's how i'll be
Because you amaze me

I want to love you
I want to love you (till you're) blue
I want to do some horrid things with you
So hold me closer
And make me all i'll be
Because sugar, you amaze me
