

Die Young, Stay Pretty

Short Stack

Please gather around brothers and sisters
Please lend me your hearts and your tongues
Cause i taste so nice
Please take my advice
Die young,
Die young,
Die young

HEY!

Well they said i could have done better
And i never was that of a good son
But round came my time
And fuck oath i shined
I shone,
I shone,
I shone

And we'll fall in love tonight
Babe we're always outnumbered but never out gunned
And left tonight
And I'm hoping the ocean is what we'll become,
The choir boys chanted a riot tonight
And the uptown girls sang along
Together they sing with their devilish grins
Die young,
Die young,
Die young
And stay pretty like

Well sweetheart, your number is up
It turns you were number one
And cause we got older
Our bedroom got colder
No fun,
No fun,
No fun

And we'll fall in love tonight
Babe we're always outnumbered but never out gunned
And left tonight
And I'm hoping the ocean is what we'll become
The choir boys chanted a riot tonight
And the uptown girls sang along
Together they sing with their devilish grins
Die young,
Die young,
Die young
And stay pretty
Die young,
Die young,
Die ya ha-ha-ha-ha-ha-ha-ha-ha-ha-young

Please gather around brothers and sisters
Please lend me your hearts and your tongues

And we'll fall in love tonight

Babe we're always outnumbered but never out gunned
And left tonight
And I'm hoping the ocean is what we'll become,
The choir boys chanted a riot tonight
And the uptown girls sang along
Together they sing with their devilish grins
Die young,
Die young,
Die young
And stay pretty
Die young,
Die young,
Die young
And stay pretty
Die young,
Die young,
Die ya ha-ha young
