

Enough For You

Short Stack

You're just a girl,
Just one of my accomplishments,
Another girl,
It's hard because i didnt mean for this

(so come on)

Let me stay with you
For a while for a day or maybe two
I can lay with you
See your smile never follow through

Straight from "oh- ohs" to "woah-ohs"
From goodbye calls to overdose
I wrtie your name in bullets so you're the last thing through my head
(it's for you)
Lover's become us luscious (red)

I'm just a boy, it's hard because i live in some past tense,
Another boy,
But i'm glad it's safe for you and now it's safe for me.

(so come on)

Let me stay with you
For a while for a day or maybe two
I can lay with you
See your smile never follow through

Straight from "oh- ohs" to "woah-ohs"
From goodbye calls to overdose
