

You're just a girl,  
Just one of my accomplishments,  
Another girl,  
It's hard because I don't mean for this

(So come on)

Let me stay with you  
For a while for a day or maybe two  
I can lay with you  
See your smile never follow through  
And we'll go

Straight from "Oh-Ohs" to "Woah-Ohs"  
From goodbye calls to overdose  
I write your name in bullets  
So you're the last thing through my head  
(It's for you)  
Lovers become us luscious (red)

I'm just a boy, it's hard because I live in some past tense,  
Another boy,  
But I'm glad It's sad for you and now It's safe for me  
(So come on)

Let me stay with you  
For awhile for a day or maybe two  
I can lay with you  
See your smile never follow through  
And we'll go

Straight from "Oh-Ohs" to "Woah-Ohs"  
From goodbye calls to overdose  
I write your name in bullets  
So you're the last thing through my head  
(It's for you)  
Lovers become us luscious(red)

It's 4 U It's 4 U  
Lovers become luscious red
