

# Werewolves

## Short Stack

Today I went to speak to God,  
But the sky was empty.  
And the clouds fell down around me and you.  
As we stood hand in hand I hope you'd invent me,  
A sea of love in which to drown.

Me and you,  
We're going to hell,  
Just because we're werewolves,  
We're werewolves,  
A-oo,  
A-oo,  
A-oo.  
My love it's quite a thrill,  
Darling, I'll be your werewolf,  
You're werewolf,  
A-oo  
A-oo  
A-oo

So, little miss,  
Imagine this:  
We're intertwined,  
And hopeless.  
And the world turns upside down,  
Without you.

And we're going to hell,  
Just because we're werewolves,  
We're werewolves,  
A-oo,  
A-oo,  
A-oo.  
My love it's quite a thrill,  
Darling, I'll be your werewolf,  
A-oo.

It's 11:57,  
She tastes so sweet,  
And I want more.  
Just a second,  
Lay in heaven,  
As my heart hit-hit-hits the floor.

So,  
(We're werewolves, we're, we're, we're) We're going to hell,  
(We're werewolves, we're, we're, we're) Just because (We're werewolves, we're  
e, we're, we're) we're werewolves,  
We're werewolves,  
A-oo,  
(We're werewolves, we're, we're, we're) A-oo,  
A-oo.  
(We're werewolves, we're, we're, we're) My love it's quite a thrill,  
(We're werewolves, we're, we're, we're) Darling, I'll be (We're werewolves,  
we're, we're, we're) your werewolf,  
your werewolf  
A-oo

(We're werewolves, we're, we're, we're) A-oo-oo  
(We're werewolves, we're, we're, we're x2) Ooh  
(We're werewolves, we're, we're, we're x2) A-oo  
(We're werewolves, we're, we're, we're x2) Ooh
