

# Nowhere Fast

Shotgun Messiah

so here we go

wow, get ready  
'cause here we go again  
cruse on down decadencia drive  
rise from the gutter  
strut your stuff in style

don't tell me my hair's a disgrace  
up yours, get outta my face

naa na na na, naa na na na  
naa na na na, naa na na na

nowhere fast (no), nowhere fast  
nowhere fast (no), nowhere fast

hail to the wasted  
all those waste years  
cruse on down decadencia drive  
smash all the limits  
damned if I slow down

don't tell me my life's a disgrace  
much rather sorry than safe

naa na na na, naa na na na  
naa na na na, naa na na na

nowhere fast (no), nowhere fast  
nowhere fast (nowhere fast), nowhere fast

they say I'm clingin to a runaway missile  
they say I live to fast  
that may be true but that's the way I like it  
I'll enjoy the ride while it lasts  
I'd much rather burn out fast, fast, fast

nowhere fast, nowhere fast (come on)  
nowhere fast (no), nowhere fast  
nowhere fast (no, no, no), nowhere fast  
nowhere fast (fast, fast), nowhere fast

nowhere fast, nowhere fast  
nowhere fast, nowhere fast  
nowhere fast (somebody save my soul), nowhere fast  
nowhere fast (somebody save my soul), nowhere fast

I'm gonna live, I'm gonna die  
down on Decadencia Drive  
I'm gonna stay out all night  
on Decadencia Drive
