

100 Degrees

Shout Out Louds

Who's next? It's gonna be, it's gonna be trouble
And tonight I'm telling you honestly, yes, honestly
By the time you get on the bus, love is no more
And you'll turn your head away from everything you've loved at
the door

I am always right, yes, I am always right
When I saw the reflection in the mirror, I knew it would be ton
ight
And I'm so happy, oh, so happy, then again I always am
But I can't hide the tears in my eyes from the night we never h
ad

And over the seas it's gotta be at least a hundred degrees
And in my room it's gotta be at least a thousand degrees
And where am I? Oh, oh, I know it sounds stupid but it sounds a
bout it
In my room it's gotta be at least a hundred, a hundred degrees

I know everything, yes, I know everything
When I saw you behind the corner you asked me, yes, I saw every
thing
But I'm so happy, oh, so happy, then again I always am
And I can't hide the tears in my eyes from the night we never h
ad

And over the seas it's gotta be at least a hundred degrees
And in my room it's gotta be at least a thousand degrees
And where am I? Oh, oh, I know it sounds stupid but it sounds a
bout it
In my room it's gotta be at least a hundred, a hundred degrees

And over the seas it's gotta be at least a hundred degrees
And in my room it's gotta be at least a thousand degrees
And where am I? Oh, oh, I know it sounds stupid but it sounds a
bout it
In my room oh, oh, it's gotta be at least a hundred, a hundred
degrees
