

Who's next? It's gonna be, it's gonna be trouble  
And tonight I'm telling you honestly, yes, honestly  
By the time you get on the bus, love is no more  
And you'll turn your head away from everything you've loved at  
the door

I am always right, yes, I am always right  
When I saw the reflection in the mirror, I knew it would be ton  
ight  
And I'm so happy, oh, so happy, then again I always am  
But I can't hide the tears in my eyes from the night we never h  
ad

And over the seas it's gotta be at least a hundred degrees  
And in my room it's gotta be at least a thousand degrees  
And where am I? Oh, oh, I know it sounds stupid but it sounds a  
bout it  
In my room it's gotta be at least a hundred, a hundred degrees

I know everything, yes, I know everything  
When I saw you behind the corner you asked me, yes, I saw every  
thing  
But I'm so happy, oh, so happy, then again I always am  
And I can't hide the tears in my eyes from the night we never h  
ad

And over the seas it's gotta be at least a hundred degrees  
And in my room it's gotta be at least a thousand degrees  
And where am I? Oh, oh, I know it sounds stupid but it sounds a  
bout it  
In my room it's gotta be at least a hundred, a hundred degrees

And over the seas it's gotta be at least a hundred degrees  
And in my room it's gotta be at least a thousand degrees  
And where am I? Oh, oh, I know it sounds stupid but it sounds a  
bout it  
In my room oh, oh, it's gotta be at least a hundred, a hundred  
degrees
