

## Blue Ice

## Shout Out Louds

It hurts when I breathe  
It hurts when I speak  
You want everything I own  
Everything you wanted

I keep running away, running away, running away  
You keep fading away, fading away, fading away

It always ends in the same way  
The sun gets in your eyes  
I won't be surprised that next time

These blue eyes came out of the blue  
Out of the blue, blue, blue

It never gets old  
It never changes  
Does it  
Airport to city  
The moment is breaking my promise  
So I keep drifting away, drifting away, drifting away  
And you keep fading away, fading away, fading away  
It always ends the same way  
The sun gets in your eyes  
I won't be surprised the next time

But these blue eyes came out of the blue  
Blue, blue, blue

It hurts when I breath  
It hurts when I speak  
Still want it  
Everything I own  
Everything you wanted

I keep running away, running away, running away  
You keep fading away, fading away, fading away,

It always ends the same way  
The sun gets in your eyes  
I won't be surprised the next time

But these blue eyes  
It always ends in the same way  
The sun gets in your eyes

But these blue eyes came out of the blue

Out of the blue, blue, blue  
Blue, blue, blue
