## **Shout Out Louds**

## I Meant To Call

I meant to call, I meant to call, But I didn't call you, Yes I didn't call at all. If I would say something like that, If I would say it right would you take me back? If I would turn it upside down, It would give everybody something to talk about, Oh-oh Oh-oh. I meant to call, 'Cause I meant to call, But I didn't call you, No I didn't call at all. I meant to call, 'Cause I meant to call, But I didn't call. And if I made a promise like that, And if kept it right would you take me back, Would you take me back? But if I broke a promise like that, It would give everybody something to talk about, Oh Oh Oh Oh. I meant to call, 'Cause I meant to call, But I didn't call you, No I didn't call at all. I meant to call, 'Cause I meant to call, But I didn't call, No I didn't call at all. I meant to call, 'Cause I meant to call, But I didn't call you, No I didn't call at all. I meant to call, 'Cause I meant to call, But I didn't call, No I didn't call at all. No I didn't call at all. No I didn't call at all. I didn't call at all. Didn't call at all.
