Footsteps  
Footsteps

Why did you say goodbye to me?  
Now I'm as lonely as can be.  
And as I feel a teardrop fall  
I hear your footsteps down the hall  
Walking away from me

Why did you say goodbye?  
Why did you make me cry?  
Now everyday I wonder why  
why, why oh why oh

Footsteps  
Footsteps  
Footsteps  
Footsteps

You're such a haunting memory.  
I pray that you'll come back to me.  
But as I say my evening prayer  
I hear your footsteps on the stairs  
Walking away from me

Why did you say goodbye?  
Why did you make me cry?  
Now everyday I wonder why  
why, why oh why oh
