

Go Johnny Go

Showaddywaddy

I've just seen him with his mother superior
Go johnny, go johnny, go-go-go
Sharing dreams for a little experience
Go johnny, go johnny, go-go-go

Johnny came home from the dance last night
Wanted to bring her home
Johnny came home from the dance last night
Ho-ome

Sit down, lay down, I won't query you
Go johnny, go johnny, go-go-go
I'll kiss you when I meet you
It won't be serious
Go johnny, go johnny, go-go-go

Johnny came home from the dance last night
Wanted to bring her home
Johnny came home from the dance last night
Ho-ome

Johnny came home from the dance last night
Wanted to bring her home
Johnny came home from the dance last night
Ho-ome

Soakin', jokin' it don't worry you
Go johnny, go johnny, go-go-go
Rides home, slides home
She won't hurry you
Go johnny, go johnny, go-go-go

Johnny came home from the dance last night
Wanted to bring her home
Johnny came home from the dance last night
Ho-ome
