

Heartbeat

Showaddywaddy

Heartbeat

why do you miss when my baby kisses me?

(I hear my heartbeat)

(I hear my heartbeat)

(I hear my heartbeat)

(I hear my heartbeat)

Heartbeat

why does a love kiss stay in my memory?

I hear it beat.

Twiddle-de-pat

I know that new love thrills me

I know that true love will be.

I feel Heartbeat

why do you miss when my baby kisses me?

(I hear my heartbeat)

(I hear my heartbeat)

(I hear my heartbeat)

(I hear my heartbeat)

Heartbeat.

Heartbeat.

I hear it beat,

Twiddle-de-pat

and sing to me love's glory

And bring to me love's story

I feel heartbeat

why do you miss when my baby kisses me?

(I hear my heartbeat)

(I hear my heartbeat)

(I hear my heartbeat)

(I hear my heartbeat)

Heartbeat

why do you miss when my baby kisses me?

Heartbeat

why does a love kiss stay in my memory?
