why do you miss when my baby kisses me? (I hear my heartbeat) (I hear my heartbeat) (I hear my heartbeat) (I hear my heartbeat) Heartbeat why does a love kiss stay in my memory? I hear it beat. Twiddle-de-pat I know that new love thrills me I know that true love will be. I feel Heartbeat why do you miss when my baby kisses me? (I hear my heartbeat) (I hear my heartbeat) (I hear my heartbeat) (I hear my heartbeat) Heartbeat. Heartbeat. I hear it beat, Twiddle-de-pat and sing to me love's glory And bring to me love's story I feel heartbeat why do you miss when my baby kisses me? (I hear my heartbeat) (I hear my heartbeat) (I hear my heartbeat) (I hear my heartbeat) Heartbeat why do you miss when my baby kisses me? Heartbeat why does a love kiss stay in my memory?
