

# I Wonder Why

Showaddywaddy

Know why I love you like I do.  
Know why I do.

Don't know why I love you  
Don't know why I care  
I just want your love to share.

I wonder why I love you like I do  
Is it because I think you love me to  
I wonder why I love you like I do  
Like I do.

I told my friends  
that we would never part  
They often said  
that you would break my heart  
I wonder why  
they think that we will part  
We will part.

When your with me  
I'm sure your always true  
When I'm away  
I wonder what you do  
I wonder why  
I'm sure your always true  
Always true.

I wonder why I love you like I do  
Is it because I think you love me too  
I wonder why I love you like I do  
Like I do.

Know why I love you like I do.
