

If You Know What I Mean

Showaddywaddy

I know my cousin, she was seventeen
All the boys said what a teenage dream
I'm telling you that I just gotta come clean
She sure looks good if you know what I mean

I see that chick and a smiling face
All dressed up in satin lace
I'm telling you that I just gotta come clean
She sure looks good if you know what I mean

Oh baby come out tonight
I'm a little mixed up but I'm feeling alright
Oh baby come see me
I don't know
what it is that makes me shake at the knees

The place is shaking to a dancing beat
That little lady she just can't compete
I'm telling you, I just gotta come clean
She sure looks good if you know what I mean

Oh baby come out tonight
I'm a little mixed up but I'm feeling alright
Oh baby come see me
I don't know
what it is that makes me shake at the knees

Oh baby come out tonight
I'm a little mixed up but I'm feeling alright
Oh baby come see me
I don't know
what it is that makes me shake at the knees

I know my cousin, she was seventeen
Well all the boys said what a teenage dream
I'm telling you that I just gotta come clean
She sure looks good if you know what I mean
