

Remember Then

Showaddywaddy

That night we fell in love
Beneath the stars from above
That was a lovely summer night
Remember then
then
then
then
then

The summer is over
Our loving is over
To lose that love was such a sin
Remember then
then
then
then
then
Remember then
then
then
then
then

Our love is in the past
Why has it gone so fast
Why couldn't our love last.

I'm broken hearted now
Since we have parted now
My mind wanders now and then

Remember then
then
then
then
then
Remember then
then
then
then
then
Remember then
then
then
