

Sing On Louise

Showaddywaddy

Sing on Louise, sing on Louise,
Sing on Louise, your song will make my day,
With loving care, you're showing what you play,
Sing on Louise, in your own natural way,
And just ignore, the things the papers say.

If I had to live out my life, on a rocket ship, on a crazy trip
,
Then I will lose your love, your song is here to stay,

Sing on Louise, the words I long to hear,
The song you sing, will surely raise a tear,
Sing on Louise, sing on Louise.

If I had to live out my life, on a rocket ship, on a crazy trip
,
Then I will lose your love, your song is here to stay.

Sing on Louise, sing on Louise,
Sing on Louise, your song will make my day,
With loving care, you're showing what you play,
Sing on Louise, in your own natural way,
And just ignore, the things the papers say.

Sing on Louise,
Sing on Louise,
Sing on Louise,
Sing on Louise,
Sing on Louise and make my day.
