

Wonderful Dream

Showaddywaddy

Last night I had
a wonderful dream about you
Last night I had a dream
hope that it will come true

Last night I had a wonderful dream
I dreamed I'd hold you in my arms
And you'd thrill me with your charms
In a wonderful dream, I had last night
Your lips were oh so soft and warm
And a wonderful love was born

We were all alone
you told me that you cared
And I never will forget
how happy I was that we were there

Last night I had a wonderful dream
And now that I'm alone with you
My wonderful dream will come true
(sho bop-be-wops a wonderful dream)
(sho bop-be-wops a wonderful dream)

Last night I had
a wonderful dream about you
Last night I had a dream
hope that it will come true

We were all alone
you told me that you cared
And I never will forget
how happy I was that we were there
Last night I had a wonderful dream
And now that I'm alone with you
My wonderful dream will come true
ooh -ooh- ooh
Will come true
ooh -ooh- ooh
A wonderful dream, a wonderful dream
