

Down Under

Showtek

Do you believe in world domination?

Do you believe-?

Do you believe in world domination?

Beneath the sunburned country

Across the barren lands

We create a new world of pulsing rhythms and electronic arts

Have you ever thought the harder styles could cross over seas?

And lead to global expansion?

Do you believe in world domination?

We live for the music

We are going under

D-Down under

Do you believe in world domination?
