Roll it, taste it, smoke it, now pass the dutchie (3x)
Roll it, taste it, smoke it , alright you're cool
Roll it, taste it, smoke it, now pass the dutchie (3x)
Roll it, taste it, smoke it, pass the grass

My friend the dutchie
Just turn it up, okay

Now pass the dutchie

Alright you're cool
Roll it, taste it, smoke it, now pass the dutchie (3x)
Roll it, taste it, smoke it, okay

And breathe in, and breathe out
That's what we call the dutchie

Roll it, taste it, smoke it, now pass the dutchie (2x)
Now pass the dutchie

Roll it
Taste it
Smoke it
Now pass the dutchie (3x)
Just turn it up, okay

Now pass the dutchie
Dutchie, dutchie, dutchie..
