

Between the music and me
Is what the world doesn't see
There's a freak in me
And that's who I wanna be

Between the music and me
Is what the world doesn't see
There's a freak in me
That's who I wanna be
Go fast, go hard
Cause ecstasy knows
This is hardstyle
And you know how it goes
(2x)

Between the music and me
Is what the world doesn't see
There's a freak in me
And that's who I wanna be
Go fast, go hard
Cause ecstasy knows
This is hardstyle
And you know how it goes

There's a freak in me
That's who I wanna be

Between the music and me
Is what the world doesn't see
There's a freak in me
That's who I wanna be
Go fast, go hard
Cause ecstasy knows
This is hardstyle
And you know how it goes
(2x)

This is hardstyle
And you know how it goes

Between the music and me
Is what the world doesn't see
There's a freak in me
That's who I wanna be
Go fast, go hard
Cause ecstasy knows
This is hardstyle
And you know how it goes

And you know how it goes
