

My 303

Showtek

Police and ambulance crews in Melbourne and Sydney
Are on alert for more possible drug related casualties
After a bad batch of drugs was blamed for 30 life threatening c
ollapses

At a dance party in Melbourne over the weekend
It's believed that GHB, also known as 'fantasy'
Was responsible for Saturday night's overdoses, overdoses, over
doses...

Fuck, fuck me on GHB
Harder, harder than the sound of my 303

Fuck, fuck me on GHB
Harder than the sound of my 303

Harder than the sound... (2x)

GHB is known as a summer-event drug
With dozens of events planned over summer
Authorities are concerned about the possibility of more overdos
es
And even a fatality, a fatality, a fatality...

Fuck, fuck me on GHB
Harder than the sound of my 303

Harder than the sound of my 303

Dozens of young party-goers were overdosing
They'd all taken the drug known as GHB, grievous bodily harm or
fantasy

Fuck, fuck me on GHB
Harder than the sound of my 303
