

The Puta Story

Showtek

Hello
My name is Mr Puta
And I like to tell you my story

I grew up in the project of Mexico City
And I was born to be a hustler
I met the wrong people at the wrong time

The police caught me
For smoking the cocaine

I had to do time
Fifteen years to be exact

When I came out
I went to my favourite mota land

I smoked out a lot with the guys of showtek
and the emcee's (cheer)

Every week we party (You know we do)

And now
I'm a raver with the hardstyle flavor (Okay)
