

The Puta Story

Showtek

Hello

My name is Mr Puta

And I like to tell you my story

I grew up in the project of Mexico City

And I was born to be a hustler

I met the wrong people at the wrong time

The police caught me

For smoking the cocaine

I had to do time

Fifteen years to be exact

When I came out

I went to my favourite mota land

I smoked out a lot with the guys of showtek

and the emcee's (cheer)

Every week we party (You know we do)

And now

I'm a raver with the hardstyle flavor (Okay)
