

## Levitation Nation

Shpongle

Oh, meu Brasil,

Overdose de amor nos trás

Se espelha na familia beija flor

lutando eternamente pela paz

Oh meu Brasil

This song is in Portuguese, and my first language is Romanian so here's a rough translation.

If someone speaks Portuguese fluently then they are welcome to change it.

Oh, my Brazil

Love Overdose bring to us

Taking example from the family Beija-flor ("Hummingbird" in Portuguese)

Fighting forever for the peace

oh my Brazil
