

# Once Upon the Sea of Blissful Awareness

Shpongle

Waves of the soft spring wind  
Love's flood tide is rising full  
The moon of love is rising full  
Sea of beauty.  
The moon of love is rising full  
Love's flood tide.

Some laugh, some weep, some dance for joy.  
My mind craves nectar day and night.

Like a blue lotus floating on the sea of love.  
Lingering in ashantically  
Lingering in the akashic realms  
Lingering in the realms.

Blue lotus floats, floating, floating..  
Some laugh, some weep, some dance for joy.  
My mind craves nectar day and night.
