

Shark Walk

Shriekback

Here comes your man now everybody hide - he do the
SHARK-WALK
He says he's not guilty, well you decide - he do the
SHARK-WALK
The butcher and the baker and the fireman say - he do
the SHARK-WALK
And he wants everybody everywhere to walk this way -
and do the SHARK-WALK
He gonna walk forever with those wicked strides
And he knows if you ever ever stop you die

He do the SHARK-WALK. He do the SHARK-WALK.

She's hungry all the time - she do the SHARK-WALK.
She like the Hokey-Pokey and the Southern skies - she
do the SHARK-WALK
She got the body of a baby and she got not hair - she
do the SHARK-WALK (Yeah Yeah)
She got a German Shepherd and a Frigidaire - and does
the SHARK-WALK
She gonna keep moving like a desert tribe
And she knows how she does it and she don't care why

She do the SHARK-WALK. She do the SHARK-WALK.

WALK... WALK...

I got the bone-structure and the beady eyes - I do the
SHARK-WALK
I'm coming up the ladder coming down the other side - I
do the SHARK-WALK (Baby)
I got that predatory wriggle and a friendly grin - I do
the SHARK-WALK
I've got a special dispensation from original sin -
doing the SHARK-WALK
I'm gonna jump gonna tremble gonna hit the sand
I got the whole wide world turning in my hand

I do the SHARK-WALK. I do the SHARK-WALK.

Do the SHARK-WALK
Do the SHARK-WALK
