## Sway

Shriekback

low and they go In and out of a grey zone They lean on the law and it bites back No sway This way No sway This way Plessey business is no messy business Just takes 'em over and sub-divides Clean as a q-tip as quiet as nylon One more hand then you got eyes on Sway Their way Hold sway This way Boldly embracing the TV Talking a mile to the minute Charge 'em with trading the car keys Just watch 'em try and deny it We're at the centre of all this Enjoying the sight and the salt taste Pulling the party to pieces Culling the last of the species Sway this way and it makes sense Not super-analytical and hyper-tense You never get to celebrate undergoing therapy Try and make the chemistry somethin' that it ain't Go sway This way Sway This way Sway This way Sway This Way
