Shriekback

We all know fata morgana  
She keeps herself to herself  
She likes the sound of explosions  
You know - some people need nothing else  
She has a volatile nature -  
Moves in a dangerous way  
All the creatures around her:  
They keep quiet, or she blows them away

They sing:  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...  
Singing  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...

Theres always fast talking Jonny  
He used to get so ill  
He spent a while in the country  
Now he's clean and serene but he can't stand still  
Little Nick wasn't happy -  
He felt sick inside  
One day he jumped from the window  
Into the arms of a Wagnerian bride

Singing  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...  
Singing  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...

And then there's old Uncle Charlie -  
He don't speak any more  
He lives one side of a mirror,  
A refugee from the chemical wars  
A critical disposition -  
He likes to eat his own hands  
His principle motivation  
Is a special secretion from a secret gland

He sings:  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...  
Singing  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...  
Singing  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...  
Singing  
WHA DIDDLE IDDLE I DOH  
DOWN HERE - THE UNDERWATERBOYS...
