

"Get dressed", said the first cop to the major
"Who's in distress?"
"Some damsel with a canceled subscription to an ambulance
She climbed a tree on call and caught a branch mid-fall"

Cheers
The truth, it wears sharp clothes
And so you cannot undress it
Mmm, a kiss on the mouth instead

"Who's in distress?"
"Some damsel with a canceled subscription to an ambulance
She climbed a tree on call and caught a branch mid-fall"

Cheers
The truth, it wears no clothes
And ooh, you cannot forget
Mmm, a little kiss on the mouth of a friend, to ya

Boys, you've got a great house
But it's got major holes, a heart-shaped
Five years and I can't even seem to get to you
Five years, it's a major to-do
