

Just Once

Shura

I've lost count of how many times we disagreed
But it's the third time we've fought together this week.
Maybe it's nothing, maybe I just need time on my own.

Just once I'm gonna go and get drunk.

If you get my name wrong I won't get pissed off
Cause I wish I was somebody else
You know nothing about me, I know nothing about you
But maybe the question mark helps

Have you ever been lost?
We could get lost
I wanna get lost
Have you ever been lost?
We could get lost
I wanna get lost

I'm not sure if I'm just thinking 'bout it too much,
Or if I'm just looking for an excuse for us to break up.
Maybe I want to, maybe I need to
Find a way to tell you that I want to let you go.

Just once I'm gonna go and get drunk.

If you get my name wrong I won't get pissed off
Cause I wish I was somebody else
You know nothing about me I know nothing about you
But maybe the question mark helps

Have you ever been lost?
We could get lost
I wanna get lost
Have you ever been lost?
We could get lost
I wanna get lost

If you get my name wrong I won't get pissed off
Cause I wish I was somebody else
You know nothing about me I know nothing about you
But maybe the question mark helps

Have you ever been lost?
We could get lost.
I wanna get lost.

Have you ever been lost?
We could get lost.
I wanna get lost.
Have you ever been lost?
We could get lost.
I wanna get lost.
(I wanna get lost)
Have you ever been lost?
We could get lost.
I wanna get lost.
(I wanna get lost with you)
