

# Down At The Motel

Shwayze

Down at the Motel.  
It's BYOB, so it don't matter if you ain't got a fake I.D.  
Down at the Motel.  
This party's for free, and your dude can come as long as he's got weed,  
Down at the Motel.  
So tell your girls, to tell mo girls,  
Down at the Motel.  
Come party with me, we gunna party like it's California...

We go town to town, show to show,  
You know the real fun starts when the curtains close,  
Head down the road, to the motel 6,  
Make a pit stop at the liquor store quick,  
Pick up a fifth, and some blunts to roll,  
Lookin' like a parade with all the chicks in tow,  
Sneak past the lobby, fast like Ricky Bobby,  
Strait to the pool, skinny dipping party!  
After the show is the afterparty,  
And if you don't know where to go you better ask somebody,  
Or come with us we got room on the bus,  
We gunna show you how we get down.

And I don't wanna hear a maybe, just a yes or a no,  
And you can bring your friend, if she leaves her clothes,  
Cause we ain't gunna need 'em where we going yo,

At the hojo, or the holiday inn,  
I got some trees in the minibar, full of jin,  
Goose and juice, and a little Patron,  
Let's get butt naked and bone,  
After the show is the afterparty,
