

Let's make love when it's pourin' outside  
Let's make love when it's war outside  
Let's make love just because  
The people of the world don't make enough of it  
And when this song is on bump it  
Leap for love like you long jumpin'  
Keep it up 'cause we all strugglin'  
All you need is

Turn out the light, lock the door  
We can make a little love, then make a little more  
And tonight, baby I'm yours  
We can make a little love

Turn out the light, lock the door  
We can make a little love, then make a little more  
And tonight, baby I'm yours  
We can make a little love, then make a little more
