

# My Girl

Shwayze

My girlfriend, she's a 10  
She's real tan and she hits the gym  
She wears red lingerie to bed  
Her daddy's rich and she gives great head

My girlfriend got a big ol' butt (Say what?)  
Daisy Dukes with the seams ripped up (Uh huh)  
Crazy dudes like to whistle at her  
And she looks like a stripper for sure

She likes to shake it  
Whether clothes or naked  
She dress like a ho but she talk like a lady  
But lately, she been acting kinda shady  
Coming home late with her make-up looking crazy

Hair messed up, hickies on her neck  
I think I see some pussy juice dripping down her leg  
I grabbed her by the head,  
You know what I said?  
I said who you been ridin' in the hood Little Red?

Baby it's not what you think  
A couple drinks led to some things  
I'm not sure how to tell you this,  
I'm a lesbian (Lesbian?)

My girlfriend, she's a 10  
She's real tan and she hits the gym  
She wears red lingerie to bed  
Her daddy's rich and she gives great head  
My girlfriend drives a Benz  
She got a lotta pretty best friends  
They all like to experiment  
My girlfriend is a lesbian

Oh my my, oh hell yeah  
Baby like to take off her party dress  
And it don't stop there (Where)  
I walked in on a double-sided dildo love affair  
They were bumpin' chairs, dressed in leather  
Breathin' heavy, and whippin' each other  
They looked at me like their mama just caught 'em  
'Cause Johnny Rotten put mah seed up in their Apple Bottom

But then it all got weird  
The other chick had a beard  
I got scared and ran out of there  
Pole vaulted on my dick down the stairs

Tarzan met Jane one day  
Then Jane met Janet and moved away  
Left Tarzan with nobody.  
Sad all day, so he played Sorry.

My girl is now her girl  
Her girl is now her man  
Say it in French 'Le Lesbian'  
Say it again, 'Le Lesbian'

I like girls who like girls  
As long as they like me  
But my girl just like girls  
And now her girl wants to fight me  
Punched in the eye by a girl named Butch  
Pushed me in a bush  
Stole my kush!  
Took me for a fool, took my girl too  
Right hook, now I gotta move schools  
Nice lookin' with the basketball shoes  
Tied tight, every night is ladies night  
Wild night when you're dating a dyke  
Oh yeah, I guess you gotta do...
