Perfect For Me

What it do, Baby do Who am I, Who are you Do you think That we could ever be One instead of two

What it is About you is I love everything your kiss Your lips your eyes your nose You're perfect You're perfect for me me me me me You're perfect for me me me me me me You're perfect for me

I know I'll never get you girl If I let you go and forget you girl So I call and I text you girl To let you know I want next to you girl

Women playin musical chairs For years Walkin up and down the stairs Smile as we pass every once in a while Used to buy a little grass From your brother as a child Now I'm grown up Maybe not but I know enough And if I don't I aint gonna show her love Be strong Take your broken heart Sew it up No stairs This elevator's goin up I'll be your paradise Million dolla gamble The odds are against us But I've got it handled Cause I'm talkin in the mirror today Cause when I see you in the street I never say What it do, Baby do Who am I, Who are you Do you think That we could ever be One instead of two What it is About you is I love everything your kiss Your lips your eyes your nose

You're perfect

You're perfect for me

Shwayze

I know you'll never get me girl If I don't let you know Who I am pretty girl But in my head I see you dancin and twirlin I'll be your beach boy you can be my city girl Love and happiness But in nappiness Peanut butter skin Salt water taffy lips Cu-pid said Love aint an accident Ran outta arrows So he hit me with a javelin Travelin Willberry mixed with the ramblin Man Man I wanna feel more like a jam band You my good time girl whats happenin TV on the radio's gotta keep cracklin I ain't an actor You ain't an actress I want a real love No cameras No videos No cameos No champagne (No champagne?) Damn... I'm talkin to myself again Cause when I saw you on the street What it do, Baby do Who am I, Who are you Do you think That we could ever be One instead of two What it is About you is I love everything your kiss Your lips your eyes your nose You're perfect You're perfect for me me me me You're perfect for me me me meee me You're perfect for me me me me You're perfect for me me me meee me You're perfect for me It hurts when I bite my tongue With my teeth and I was three years later And I still cant speak I qot Average sneakers But I still cant sneak A beak so I'm still lookin for a bird dats cheap I'm a freak Feelin like a hunchback In the corner With the dunce cap Put a hole in my heart With a thumbtack If you loved me

I never woulda done that What it do, Baby do Who am I, Who are you Do you think That we could ever be One instead of two What it is About you is I love everything your kiss Your lips your eyes your nose You're perfect (You're perfect) What it do, Baby do Who am I, Who are you Do you think That we could ever be One instead of two What it is About you is I love everything your kiss Your lips your eyes your nose You're perfect You're perfect for me me me me You're perfect for me me me meee me You're perfect for me me me me me You're perfect for me me me meee me You're perfect for me
