

# Waste The Time Away

Shwayze

When I was a young boy  
I used to say  
That I would never  
Turn out that way  
Ohhh yeaa  
Well look at me now  
I sit around all day  
Waste the time away  
I waste the time away

Excuse me while I light my spliff  
Lord I think I need a lift  
Cause it's everyday Monday Sunday Monday trip don't feel that hip  
So I pick up my guitar and play  
Sing song bout yesterday  
It's to bad my memory is cloudy as shit

I was a young boy  
I used to say  
That I would never  
Turn out that way  
Well look at me now (look at me now)  
I sit around all day (sit around all day)  
I waste the time away  
Waste the time away

Now let me hear ya sing along  
If you living life with ya speakers on  
Up all night waking up with ya sneakers on  
Grown man cryin when he find out his sweetie gone  
Time to get da beezy and get my baked zeedy on [?]  
I heard it all, and seen it all like peepin tom  
Bottle my emotions up, till the taquilas gone  
I got a notion I can't put my finger on,  
Why we were chosen to be the next Cheech and Chong

I was a young boy  
I used to say  
That I would never  
Turn out that way  
Well look at me now (look at me now)  
I sit around all day (sit around all day)  
I waste the time away  
Waste the time away

I'm a time wasting money maker  
I love a baby good girl where ya learn to shake it  
On tha tv, believe me sweetie I ain't greedy  
I give you everything, but tell me where does that leave me, zero  
Or I could be your hero  
Standing in the rain catchin water in a barrel  
Underneath the airplanes, you fly, I'm high, let's vibe

Sha la la la

When I was a young boy  
I used to say

That I would never  
Turn out that way  
Ohhh yeaa  
Well look at me now (look at me now)  
I sit around all day (sit around all day)  
Waste the time away  
I waste the time away
