You Could Be My Girl

Hey Yo Cisco Lets take em on a trip Like we had a party and put shrooms in the dip now I'm tripping and girl won't listen when I tell her that I love her and I really really miss her Lets do it Like we never did before Lllllet's just lose control I know you know what I know Lllllet's just lose control I've been drinkin but I feel fine I've been thinkin you should be mine for the weekend or a long time baby you could you could be my girl you could be my girl you could be my GIRL and I could be your man (you could be my) you make my heartbeat stop like a beatbox I try to pump it back up like some Reeboks if love is a drug I need a detox cuz you get me higher than the treetops and i can see it all from here got my head up in the clouds but its all so clear hear my dear, take a look in the mirror you're lookin at the reason I'm a killer this year I've been drinkin but I feel fine I've been thinking you should be mine for the weekend or a long time baby you could you could be my GIRL you could be my girl you could be my GIRL and I could be your man (you could be my) will you be my senorita real drunk love margarita take a long walk by the seaside working real hard for you to be my you could be sunray on a summer day you could be my sea spray take my breath away you could be everything girl everything and I could be your everything girl everything (everything) I've been drinkin but I feel fine

Shwayze

I've been thinking you should be mine for the weekend or a long time baby you could you could be my GIRL you could be my girl you could be my GIRL and I could be your man (you could be my)
