[Hook:]

Walking with my 40

Rruum rrum rra

Rolling off a molly

Rolly cost 'bout 40  
I might catch a body

I might catch a body, I might catch a body  
I might catch a body, I might catch a body  
I might catch a body, I might catch a body  
I might catch a body, I might catch a body

Know you wanna rob me, all this damn Versace  
These niggas steve harvey, they ain't never shot nobody  
All this damn gold like a nigga came from Saudi  
Back up, oh, no, I might have to catch a body  
Cuban link my chain, Cuban link my cocaine  
Smoking on that gas, yeah, nigga, propane  
Balling like LeBron James, nigga, what the fuck you mean?  
Bitch walking with us on lean, she live life, she eat like mine  
Call my nigga Zay, bring that bitch to me  
He said she got away, I say no, need her today  
Niggas after me, tell them niggas pray  
Glizzy get paid, how much did I make today?

[Hook]

I'm KD in my zone, YSL cologne  
Smoking on that strong, how the fuck I make this song  
Ya' bitch won't leave me alone, she gone on that Patrone  
Yeah, I got it, homes, don't talk dirty in my phone  
Pull up to Santa Fe, that BM with a J  
My bitch got a big ass, make her a lot of K  
Hold up, goddamn, shout out to my trap  
Ride out through my set, shoot your ass with no mess  
Young rich nigga, sell a lot of coca  
Got a rich bitch, I think she the next Oprah
