

Here With Me

Shyne

Heeeeyyy!!

Yeah! Po!

For all my niggas locked under the cell (this gangsta mash)

All my niggas (turn this shit up) in Heaven

While niggas was alive it was Hell, gotta be Heaven after that

Check it

P-O, nuthin more to it

I'm gully, what I really been through it

From the stoop to the coupe and everything in between

Vicariously through me niggas live out they dreams

All the ones in the sky are up in the Bing

I do it for them when I'm cracking them rims

See me doing donuts over pot holes

Bustin' off Roscoes like fuck it I'll buy a new set tomorrow

I'm the horror the system built

Suck liquor out my moms tits instead of milk

I'm society's filth, shit I feel no guilt

Welfare couldn't feed Po, what the fuck I need more (mo' mo' mo')

Catch me posted up in one pivot

By the looks of my arm and palm its been a blizzard

Bitches wanna know who that nigga Po?

When you think of me just think of snow

All white hard white masterpiece all white it's alright

I could take you out the Nikes and put you in some things

Have you lookin' like somethin', diamond buttons

It's the predicate felon, million dollar rhetoric

Tellin' spittin' thesis from my Corniches

Leaving niggas speechless, can't talk with a gun in your throat

Yeah I'm loke, been around to much dope

All my life brain ain't never been right

Don't hear shit I ear shit

Niggas lose sight, it's bigger than mic's

Come fuck with the kid

OG's look at me like that's how I live

Niggas look from the sky like yeah I still live

Resurrected through the necklace or the gold-coated SIG

Gangsta's never die as long as I'm alive

And when I go its gon' be another Po

For all my niggas who ain't here with me, you still here with me

Everything that I do

When you see that watch blue its for you

When you see that coupe with no roof its for you

For all my niggas who ain't here with me, you still here with me

Everything that I do

Kid that I fried around the way was for you

This connect that I tied the other day was for you

Yellow tapes, yellow bottles and yellow rocks

Its the number one gunner pop-pa-pop-pop!

Hard top, windows black, that's the way I gangsta mash

Coming through bumping Thriller like I'm really a killer

Who you know fuckin' with me? Them niggas is bitter

Know I hit you when it's burning and numb

Who you? Screw you just for burning your gums

Get it right - I'm him, y'all just rhymin

Noise over beats y'all niggas hymen
Ma this shit is real, I'm buying jet fuel
And the cuts on my shit is Princess Blue
You fuck with the kid, you get Princess too (fa' sho')

And that's just how my niggas would want it
America's most-wanted, station name: P-O

Everything that I do
When you see that watch blue its for you
