

## Day Too Soon

Sia

Pick me up in your arms  
Carry me away from harm  
You're never gonna put me down  
I know you're just one good man  
You'll tire before we see land  
You're never gonna put me down

Oh I've been running all my life  
I ran away, I ran away from good  
Yeah I've been waiting all my life  
You're not a day you're not day too soon

Honey I will stitch you  
Darling I will fit you in my heart  
Honey I will meet you  
Darling I will keep you in my heart

You'll risk all this for just a kiss  
I promise I will not resist  
Promise you wont hold me down  
And when we reach a good place  
Let's be sure to leave no trace  
Promise they wont track us down

Now I've been running all my life  
I ran away, I ran away from good  
Yeah, I've been waiting all my life  
You're not a day, you're not a day too soon

Honey I will stitch you  
Darling i will fit you in my heart  
Honey I will meet you  
Darling I will keep you in my heart

I've been running all my life  
I ran away, I ran away from good  
Yeah I've been waiting all my life  
You're not a day, you're not a day too soon

Oh honey I will stitch you  
Darling I will fit you in my heart  
Honey I will meet you  
Darling I will keep you in my heart
