

I Don't Want To Want You

Sia

I like to take you
Only cause I choose not to leave you
I like to make something of you
Only cause I choose to believe in you

I don't want to want you like I do
I don't want to want you like I do
Like I do

I, I, I like to show you
Only cause I choose not to hide from you
I like to know you
Only cause I choose to introduce myself
Only cause I choose to introduce myself

I don't want to want you like I do
Like I do
I don't want to want you like I do
Like I do, like I do

I like to take you
Only cause I choose not to leave you
I like to make something of you
Only cause I choose to believe in you
