

Like a new winter's coat
I'm wearing your last embrace
Like a cold quenching glass of water
I hold a clear picture of your face

Where are you? (Quickly)
Where are you? (Quickly)
Where are you?
Soon I'll be cold and thirsty
Soon I'll be cold and thirsty

I'm hearing your last telephone call
Ringing louder and clearer than the rest
I hear your invitation to see it all
Better written I am smitten no protest

Where are you? (Quickly)
Where are you? (Quickly)
Where are you?
Soon I'll be bored and lonely
Soon I'll be bored and lonely

Like a story well told
Your conversation can hold me or soothe me
Like a funny time to share you were there
And your comfort and support me

Where are you? (Quickly)
Where are you?
Soon I'll be restless and weary
Soon I'll be restless and weary

Like another man
I want hold you within me
Like a good day without care
I just want you to last
I just want you to last

I'm tasting the last glass of your wine
The sweet taste linger left on lips
I think of your kisses with mine
The sweet taste lingers left on lips

Where are you? (Quickly)
Where are you? (Quickly)
Where are you?
Soon I'll be sober and unkissed
Soon I'll be sober and unkissed
