

# To Be Human

Sia

Under rich, relentless skies  
I've been setting highs  
I felt you walk right through me  
You're the thing that I invoke  
My all persistent goal  
Sent to make me crazy

And though it's hard now  
With time, it works out

To be human is to love  
Even when it gets too much  
I'm not ready to give up  
To be human is to love  
Even when it gets too much  
I'm not ready to give up

All the tigers have been out  
I don't care, I hear them howl  
I let them tear right through me  
Can you help me not to care?  
Every breath becomes a prayer  
Take this pain from me

And though you're so far now  
So far from my arms now

To be human is to love  
Even when it gets too much  
I'm not ready to give up  
To be human is to love  
Even when it gets too much  
I'm not ready to give up

To be human  
To be human  
To be human

Just 'cause I predicted this  
Doesn't make it any easier to live with  
And what's the point of knowin' it  
If you can't change it?  
You can't change, can't change it  
Just 'cause I predicted this  
Doesn't make it any easier to live with  
And what's the point of knowin' it  
If you can't change it?  
You can't change, can't change it

To be human is to love  
Even when it gets too much  
I'm not ready to give up  
To be human is to love  
Even when it gets too much  
There's no reason to give up

Don't give up

Don't give up
