

# Where I Belong

Sia

We lose  
Yet we want to spare the feelings of those we love  
Don't cry  
We've all lied  
But there is always room for forgiveness my friend

So don't treat me bad just be glad I am strong  
I know where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me

Shine  
You're fine  
See I will always have a smile for you my love  
And still  
We will  
Be ok and along the way we'll learn a thing or two

So don't treat me bad just be glad I am strong  
I know where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me

So don't treat me bad just be glad I am strong  
I know where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me

Don't treat me bad just be glad I am strong  
I know where I belong  
So soon you will see we are blessed and complete  
There's a place here for you with me

Don't treat me bad just be glad I am strong  
I know where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me

So don't treat me bad just be glad I am strong  
I know where I belong, where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me

So don't treat me bad just be glad I am strong  
I know where I belong, where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me

Don't treat me bad just be glad I am strong  
I know where I belong  
And soon you will see we are blessed and complete  
There's a place here for you with me
