

My Prayer To You (in Our Time Of Need)

Sick Of Change

Father, You have given so much to us.
Working in our lives and giving us wisdom.
Keep us strong in our time of need.

There will be times when the world will try to bring us down.
We need Your truth because we can't make it on our own.
You are greater than the best the world has to offer.

Weak or strong we will follow You, Father.
Help us to appreciate what we have....
Your precious gift of life.

We will follow You.
Weak or strong, we will follow You, Father.
