

## Broke Dick

Sick of It All

Oooh  
It's plain to see  
Why there's no harmony.  
Arrogance at a glance  
A mind that's bent on ignorance.  
Desperate for reverance  
Little king with no respect.  
Spitting out rhetoric from the mouth of a broke dick.  
A blind approach that leads to misery  
Bitterness will let you down, and shut you out  
Bar-b-que broke dick.
